My dear Children!

I place these few lines  
in the package containing  
my last Will and address them  
to you, instead of your dear  
Mother, for the reason,  
That she & I have several  
times talked the matter over  
and she fully understands  
my Wishes herein expressed

You have all been good  
Children, and a great  
Comfort to me. My happiest  
Thoughts are connected with  
you in the hope and belief  
that after I shall be called  
away, you will, all of you  
strive to be kind and good  
to your Mother, and to each  
other. I have the earnest and  
cherished desire, that you  
will, after I am gone, strive  
to preserve Harmony, and  
good will, and unselfish  
relations among yourselves.  
Try to keep the estate I leave  
you together, so far as you  
can, and make it productive

if not only of increase and  
substance, but let it be a  
cause for mutual confidence  
and affection. Each of you  
should yield to the other more  
or less, if necessary to preserve  
harmony and union.

Sickness, Misfortune, perhaps  
something worse can come  
to some one of you, but  
my dear children, face it  
bravely, and with hearts full  
of love for each other, and  
do just what you think, I  
would like to have you do,  
if I was present to advise  
and counsel you.

Be generous and unselfish  
to each other in case of need

and above all, be honest  
and noble, in all your dealing,  
not only with each other, but  
with The World.

I want you to allways  
have a good Name.

It is better than riches, and  
your greatest happiness will  
come from your knowledge  
of doing right.

You must first of all be good  
to your Mother. Do all you  
can to make her last days  
her best days, and when she  
is gone, and you, and you  
are left without either father  
or Mother, try allways to  
remember my last wishes  
that you my dear children  
shall live in harmony & mutual

Confidence, each doing all in his or her power to keep the estate productive of the best results, for the interest not of any one child, but for all surviving children.

I can not say more in this Letter, it is merely a last word to you all, begging you to remember your Father's last wish, that you each, and all, do all you can, to promote each others Happiness & welfare through life, no matter what changes may come, or how one may be favored, or another be frowned upon by the fortunes of the World. Good bye my dear Children your loving Father.
